Handling and allergen information

Storage	Keep sealed, dry, protected from light, and below 25 C. Refrigeration is recommended after opening.
Shelf life	24 months when stored under the stated conditions.
Allergen	Contains shellfish and shellfish-derived material.

Document note

This brand-issued summary presents Dogevera's raw-material specification criteria and identifies the third-party testing panel used for this material. It is not itself a laboratory report, certificate of analysis, government certificate, or species-authentication report. For sample-specific measured values and test methods, refer to the original SGS laboratory report.
